

# **MEETING REPORT**

**Team Name: Thunder      Date of Meeting: 19/03/2019**

**Start Time: 10:30   End Time: 12:15   Meeting Location: Epoka Campus**

**Moderator:   Gerild Pjetri   Recorder: Elisa Daka**

**Other Members Present:   Denada Bufi , Arbi Elezi , Albi Nikehasani**

**Members Absent:**

**Topics Discussed:**

**Due to misunderstandings inside the group , we discussed on the team captain role again.**

**This debate was because of the work progress evaluation.**

**Regarding technical roles nothing is going to change. Only the work progress manager is going to take the role of the team captain. The former team captain will hold his position only on technical terms.**

**We discussed about github project management and made our first tests.**

**About the structure of the project on front-end and back-end .**

**Decisions Made:**

- Gerild Pjetri -> team captain**
- Github accounts   opened by every member**
- Personal Log structure regulated on github**
- Build front –end structure**

**Regarding**

**Tasks Assigned:**

**Still working on the tasks of the previous week**

**Task for all – Understanding the big picture**

**Time, Place, and Agenda for Next Meeting:**

**Epoka Campus 26/03/2019**

**Work Progress Evaluation.  
Individual Progress Evaluation.**
